My dear friend

You sent me a Herald of Freedom & do I suppose also J. R. French - enclosed you will find a letter written in receipt of the papers - if you think well, I would like to have it published in the Liberator or Standard - but you will do as you think best - & I shall be satisfied. You will be so kind as to forward my enclosed letters to their Owners.

I enclose 2 autographs of Curies, of Arago, & of Sir Roderick Murchison (the geologist) for the Rahway papers and were labelled for the Rahway Museum with some letters of no value. The Museum goes along with this letter - I hope it will arrive safe & that you will see my friends in safety. The Museum is a treasure

Yours ever

R Webb

(a letter from me will be found enclosed with the papers)
